STIPULATION OF CLASS ACTION SETTLEMENT

This Stipulation of Class Action Settlement is entered into by and among Plaintiff Bryan Goree (“Plaintiff”), for himself individually and on behalf of the Settlement Class, and Defendant New Albertsons L.P. (“Defendant”) (Plaintiff and Defendant are referred to individually as a “Party” and collectively referred to as the “Parties”). This Settlement Agreement is intended by the Parties to fully, finally, and forever resolve, discharge, and settle the Released Claims upon and subject to the terms and conditions hereof, and is subject to the approval of the Court.

RECITALS

On January 24, 2022, Plaintiff filed a putative class action complaint against Defendant in the Circuit Court of Cook County, Illinois, alleging a claim for damages and an injunction under the Illinois Biometric Information Privacy Act, 740 ILCS 14/1 *et seq.* (“BIPA”), allegedly arising from Defendant’s use of a Vocollect order picking system at its distribution center in Illinois (the “Action”)¹. Subsequently, Defendant removed the Action to the United States

¹ The Parties acknowledge that in the Action, Defendant was incorrectly named as “New Albertson’s Inc. d/b/a Jewel Osco.” The proper party defendant in the Action is New Albertsons L.P.

District Court for the Northern District of Illinois, on April 5, 2022 where it was assigned to the Honorable Martha M. Pacold.

Following arms-length negotiations, the Parties have agreed to enter into this Settlement Agreement. Plaintiff and Class Counsel have concluded that a settlement according to the terms set forth below is fair, reasonable, and adequate, and beneficial to and in the best interests of Plaintiff and the Settlement Class recognizing: (i) the existence of complex and contested issues of law and fact; (ii) the risks inherent in litigation; (iii) the likelihood that future proceedings will be unduly protracted and expensive if the proceeding is not settled by voluntary agreement; (iv) the magnitude of the benefits derived from the contemplated settlement in light of both the maximum potential and likely range of recovery to be obtained through further litigation, and the expense thereof, as well as the potential of no recovery whatsoever.

Defendant has denied and continues to deny all allegations of wrongdoing or liability for the claims asserted in the Action. Neither the fact of this Settlement, nor of the Settlement Agreement, nor any other Settlement documents, including the previously executed Settlement Term Sheet and communications in relation to the Settlement, shall be offered, used or received in this case for any purpose other than seeking approval of and effectuating the Settlement, or offered, used or received in any other case or proceeding for any purpose, whether as an argument, admission, concession, evidence or otherwise, including, but not limited to, relating to the validity of any claim or defense that was or could have been asserted in the Action, the truth of any fact alleged by any Party, or the appropriateness of class certification, or as evidence of any admission by Defendant of any liability with respect to any claim for damages or other relief, or of any admission by Plaintiff that he would not have prevailed on liability on any of his claims. Any representation that could be construed as a stipulation or admission by Defendant or

Plaintiff contained in any document pertaining to the Settlement is made for settlement purposes only. In the event the Court does not enter the Final Approval Order and Judgment, nothing contained herein shall be construed as a waiver by Defendant of any arguments against class certification, liability, and relief in this Action or any other case or proceeding, or by Plaintiff of his contention that class certification is appropriate in the Action or in any other case or proceeding. Defendant does not consent to certification of the Settlement Class for any purpose other than to effectuate the Settlement. If the Court does not enter the Final Approval Order and Judgment, or if for any other reason final approval of the Settlement does not occur, including, without limitation, because the Settlement Agreement is lawfully terminated, is successfully objected to, or successfully challenged on appeal, any certification of the Settlement Class will be vacated and deemed null and void, the Parties will be returned to their positions with respect to the Action as if the Settlement Agreement had not been entered into, and the fact of certification shall not be cited by the Parties, used on behalf of any Party for any purpose, or be admissible in any proceeding for any purpose or with respect to any issue, substantive or procedural, including, but not limited to, whether any group of individuals exists to maintain a class action under Illinois law, Rule 23 of the Federal Rules of Civil Procedure, or comparable state laws or rules.

The Parties are satisfied that the terms and conditions of this Settlement Agreement are fair, reasonable, adequate, and in their respective best interests, and the best interest of the Settlement Class, considering the risks and uncertainties of continued litigation and all factors bearing on the merits of settlement.

In consideration of the covenants, agreements, and releases set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged,

it is agreed by and among the undersigned that the Action be fully and finally settled and compromised, that the Releasors release the Released Parties of the Released Claims, and that the Action be dismissed with prejudice, subject to the approval of the Court, on the following terms and conditions.

The Parties acknowledges that there has been no stipulation to any classes or certification of any classes for any purpose other than effectuating the Settlement, and that if the Settlement set forth in this Settlement Agreement is not finally approved, if the Court's approval is reversed or vacated on appeal, if this Settlement Agreement is terminated as provided herein, or if the Settlement set forth in this Settlement Agreement otherwise fails to become effective, this agreement as to certification of the Settlement Class becomes null and void ab initio, and this Settlement Agreement or any other settlement-related statement may not be cited regarding certification of the Class, or in support of an argument for certifying any class for any purpose related to this Action or any other proceeding.

6.3 **Final Approval.** After Notice to the Settlement Class is given, Class Counsel shall move the Court for entry of a Final Judgment, which shall include, among other provisions, a request that the Court:

h. authorize the Parties, without further approval from the Court, to agree to and adopt such amendments, modifications and expansions of the Settlement and its implementing documents (including all Exhibits to this Settlement Agreement) that

(i) shall be consistent in all material respects with the Final Judgment, and (ii) do not limit the rights of Settlement Class Members; and

i. without affecting the finality of the Final Judgment for purposes of appeal, retain jurisdiction as to all matters relating to administration, consummation, enforcement and interpretation of the Settlement Agreement and the Final Judgment, and for any other necessary purpose.

6.4 **Cooperation.** The Parties shall, in good faith, cooperate, assist and undertake all reasonable actions and steps in order to accomplish these required events on the schedule set by the Court, subject to the terms of this Settlement Agreement.

8. INCENTIVE AWARD AND CLASS COUNSEL'S ATTORNEYS' FEES AND REIMBURSEMENT OF EXPENSES

8.1 Defendant agrees that Class Counsel is entitled to reasonable attorneys' fees and unreimbursed expenses incurred in the Action as the Fee Award. The amount of the Fee Award

shall be determined by the Court based on petition from Class Counsel. Class Counsel has agreed, with no consideration from Defendant, to limit their request for attorneys' fees to one third of the Settlement Fund plus unreimbursed costs. Payment of the Fee Award shall be made from the Settlement Fund and should the Court award less than the amount sought by Class Counsel, the difference in the amount sought and the amount ultimately awarded pursuant to this Section shall remain in the Settlement Fund and be distributed to Settlement Class Members as Settlement Payments including but not limited to W-9 forms.

8.2 Class Counsel shall be paid the Fee Award within ten (10) business days after the Effective Date, in an amount determined by the Court, from the Settlement Fund. Payment of the Fee Award shall be made via wire transfer to an account designated by Class Counsel after providing necessary information for electronic transfer.

Should the Court award less than this amount, the difference in the amount sought and the amount ultimately awarded pursuant to this Section shall remain in the Escrow Account and be distributed to Settlement Class Members as Settlement Payments. Any award shall be paid from the Escrow Account (in the form of a check to the Class Representative that is sent care of Class Counsel) within ten (10) business days after the Effective Date.

9. CONDITIONS OF SETTLEMENT, EFFECT OF DISAPPROVAL, CANCELLATION OR TERMINATION.

9.1 The Effective Date shall not occur unless and until each and every one of the following events occurs, and shall be the date upon which the last (in time) of the following events occurs:

- b. The Court has entered an order granting Preliminary Approval of the Agreement;
- c. - d. In the event that the Court enters an order and final judgment in a form other than that provided above ("Alternative Judgment") to which the Parties have consented, that Alternative Judgment has become final and unappealable.

9.2 The Settlement is conditioned upon preliminary and final approval of the Parties' written Settlement Agreement, and all terms and conditions thereof without material change, material amendments, or material modifications by the Court (except to the extent such changes, amendments, or modifications are agreed to in writing between the Parties or as otherwise set forth herein). All Exhibits attached hereto are incorporated into this Settlement Agreement. Accordingly, any Party may elect to terminate and cancel this Settlement Agreement within ten (10) days of any of the following events:

- a. This Settlement Agreement is changed in any material respect, as interpreted by either Party (except as detailed further herein), to which the Parties have not agreed in writing;
- b. The Court refuses to grant Preliminary Approval of this Agreement in any material respect;
- c. The Court refuses to grant Final Approval of this Agreement in any material respect; or
- d. The Court refuses to enter a final judgment that enters the Final Approval Order in this Action in any material respect.

The Defendant also shall have the right, in its sole discretion, to withdraw from the Settlement Agreement if 20% or more proposed Settlement Class Members exclude themselves from the Settlement. If the Defendant wishes to exercise this right, it may do so by giving notice to Class Counsel within ten (10) days of the Settlement Administrator providing Class Counsel and Defendant's Counsel a written list reflecting all timely and valid exclusions from the Settlement Class. In such circumstance, the Defendant shall have no further obligation under the Agreement.

9.3 If this Settlement Agreement is terminated or fails to become effective for the reasons set forth above, the Parties shall be restored to their respective positions in the Action as of the date of the signing of this Agreement. In such event, any Final Judgment or other order

entered by the Court in accordance with the terms of this Agreement shall be treated as vacated, *nunc pro tunc*, and the Parties shall be returned to the *status quo ante* with respect to the Action as if this Settlement Agreement had never been entered into, and the Parties will negotiate in good faith to propose a new schedule for the Action.

10. MISCELLANEOUS PROVISIONS.

10.1 The Settlement Administrator shall not provide the list identifying Settlement Class Members and their last-known home addresses to Class Counsel. To the extent Class Counsel learns the identity of and/or last-known home address of any Settlement Class Member(s) in connection with the Settlement Administration process, including but not limited to by Class Counsel being contacted by any Settlement Class Member(s) based on such Settlement Class Member(s) receiving Class Counsel's contact information on the Class Notice and/or Claim Form, Class Counsel shall not use that information for any purpose other than assisting Settlement Class Member(s) with the Settlement Administration process in this Lawsuit. Class Counsel shall not use information obtained through the Settlement Administration process regarding the identity of and/or last-known home address of any Settlement Class Member(s) to solicit or notify any such Settlement Class Member(s) about any other currently-pending or future actions that such Settlement Class Member(s) may be able to join and/or bring. Nothing in this Memorandum of Understanding or the Settlement Agreement shall restrict Class Counsel's ability and right to represent any Settlement Class Member(s) in any other currently-pending or future action in the event that such Settlement Class Member(s) independently approaches Class Counsel, without solicitation from Class Counsel, seeking representation in connection with their potential rights to assert claims against any entity.

10.2 Defendant represents that based on its present investigation of its records, there are 1,001 members in the Settlement Class. Defendant shall provide appropriate confirmatory discovery regarding the size of the Settlement Class in the form of an affidavit executed by an individual with personal knowledge of the methodologies used to determine the class size.

10.3 The Parties: (a) acknowledge that it is their intent to consummate this Agreement; and (b) agree, subject to their fiduciary and other legal obligations, to cooperate to the extent reasonably necessary to effectuate and implement all terms and conditions of this Agreement and to exercise their reasonable best efforts to accomplish the foregoing terms and conditions of this Settlement Agreement. Class Counsel and Defendant's Counsel agree to cooperate with one another in seeking entry of an order granting Preliminary Approval of this Agreement and the Final Judgment, and promptly to agree upon and execute all such other documentation as may be reasonably required to obtain final approval of the Settlement Agreement.

10.4 Each signatory to this Agreement represents and warrants (a) that he, she, or it has all requisite power and authority to execute, deliver and perform this Settlement Agreement and to consummate the transactions contemplated herein, (b) that the execution, delivery and performance of this Settlement Agreement and the consummation by it of the actions contemplated herein have been duly authorized by all necessary corporate action on the part of each signatory, and (c) that this Settlement Agreement has been duly and validly executed and delivered by each signatory and constitutes its legal, valid and binding obligation.

10.5 The Parties intend this Settlement Agreement to be a final and complete resolution of all disputes between them with respect to the Released Claims by Plaintiff and the Settlement Class, and each or any of them, on the one hand, against the Released Parties, and each or any of the Released Parties, on the other hand. Accordingly, the Parties agree not to

assert in any forum that the Action was brought by Plaintiff or defended by Defendant, or each or any of them, in bad faith or without a reasonable basis.

10.6 The Parties have relied upon the advice and representation of counsel, selected by them, concerning the claims hereby released. The Parties have read and understand fully this Settlement Agreement and have been fully advised as to the legal effect hereof by counsel of their own selection and intend to be legally bound by the same.

10.7 Whether the Effective Date occurs or this Settlement is terminated, neither this Settlement Agreement nor the settlement contained herein, nor any act performed or document executed pursuant to or in furtherance of this Settlement Agreement or the settlement:

a. is, may be deemed, or shall be used, offered or received against the Released Parties, or each or any of them as an admission, concession or evidence of, the validity of any Released Claims, the truth of any fact alleged by Plaintiff, the deficiency of any defense that has been or could have been asserted in the Action, the violation of any law or statute, the reasonableness of the settlement amount or the Fee Award, or of any alleged wrongdoing, liability, negligence, or fault of the Released Parties, or any of them;

b. is, may be deemed, or shall be used, offered or received against Defendant as, an admission, concession or evidence of any fault, misrepresentation or omission with respect to any statement or written document approved or made by the Released Parties, or any of them;

c. is, may be deemed, or shall be used, offered or received against Plaintiff or the Settlement Class, or each or any of them as an admission, concession or evidence of, the infirmity or strength of any claims asserted in the Action, the truth or falsity of any

fact alleged by Defendant, or the availability or lack of availability of meritorious defenses to the claims raised in the Action;

d. is, may be deemed, or shall be used, offered or received against the Released Parties, or each or any of them as an admission or concession with respect to any liability, negligence, fault or wrongdoing as against any Released Parties, in any civil, criminal or administrative proceeding in any court, administrative agency or other tribunal. However, the settlement, this Settlement Agreement, and any acts performed and/or documents executed in furtherance of or pursuant to this Settlement Agreement and/or settlement may be used in any proceedings as may be necessary to effectuate the provisions of this Settlement Agreement. Moreover, if this Settlement Agreement is approved by the Court, any party or any of the Released Parties may file this Settlement Agreement and/or the Final Judgment in any action that may be brought against such party or Parties in order to support a defense or counterclaim based on principles of *res judicata*, collateral estoppel, release, good faith settlement, judgment bar or reduction, or any other theory of claim preclusion or issue preclusion, or similar defense or counterclaim;

e. is, may be deemed, or shall be construed against Plaintiff and the Settlement Class, or each or any of them, or against the Released Parties, or each or any of them, as an admission or concession that the consideration to be given hereunder represents an amount equal to, less than or greater than that amount that could have or would have been recovered after trial; and

f. is, may be deemed, or shall be construed as or received in evidence as an admission or concession against Plaintiff and the Settlement Class, or each and any of

them, or against the Released Parties, or each or any of them, that any of Plaintiff's claims are with or without merit or that damages recoverable in the Action would have exceeded or would have been less than any particular amount.

10.8 The headings used herein are used for the purpose of convenience only and are not meant to have legal effect.

10.9 The waiver by one Party of any breach of this Settlement Agreement by any other Party shall not be deemed as a waiver of any other prior or subsequent breaches of this Settlement Agreement.

10.10 All of the Exhibits to this Settlement Agreement are material and integral parts hereof and are fully incorporated herein by reference.

10.11 This Settlement Agreement and its Exhibits set forth the entire agreement and understanding of the Parties with respect to the matters set forth herein, and supersede all prior negotiations, agreements, arrangements and undertakings with respect to the matters set forth herein. No representations, warranties or inducements have been made to any Party concerning this Settlement Agreement or its Exhibits other than the representations, warranties and covenants contained and memorialized in such documents. This Settlement Agreement may be amended or modified only by a written instrument signed by or on behalf of all Parties or their respective successors-in-interest.

10.12 Except as otherwise provided herein, each Party shall bear its own attorneys' fees and costs incurred in any way related to the Action.

10.13 Plaintiff represents and warrants that he has not assigned any claim or right or interest relating to any of the Released Claims against the Released Parties to any other Person or party and that he is fully entitled to release the same.

10.14 Each counsel or other Person executing this Settlement Agreement, any of its Exhibits, or any related settlement documents on behalf of any Party hereto, hereby warrants and represents that such Person has the full authority to do so and has the authority to take appropriate action required or permitted to be taken pursuant to the Settlement Agreement to effectuate its terms.

10.15 This Settlement Agreement may be executed in one or more counterparts. All executed counterparts and each of them shall be deemed to be one and the same instrument. Signature by digital, facsimile, or in PDF format will constitute sufficient execution of this Settlement Agreement. A complete set of original executed counterparts shall be filed with the Court if the Court so requests.

10.16 The Court shall retain jurisdiction with respect to implementation and enforcement of the terms of this Settlement Agreement, and all Parties hereto submit to the jurisdiction of the Court for purposes of implementing and enforcing the settlement embodied in this Settlement Agreement.

10.17 This Settlement Agreement shall be governed by and construed in accordance with the laws of the State of Illinois without reference to the conflicts of laws provisions thereof.

10.18 This Settlement Agreement is deemed to have been prepared by counsel for all Parties, as a result of arm's-length negotiations among the Parties. Whereas all Parties have contributed substantially and materially to the preparation of this Settlement Agreement, it shall not be construed more strictly against one Party than another.

10.19 Public Comments: The Parties agree to respond to any and all media inquiries regarding the Settlement Agreement (to the extent the Party wishes to respond), once the Settlement is made public by the filing of a motion for preliminary approval of the Settlement

Agreement, in the following manner: “The Parties agreed to settle the litigation, without any admission or determination of liability, to avoid further costs and expenses and have no further comment.” Plaintiff and Class Counsel agree that their firm will not issue any press releases or otherwise publicize the Settlement to the media or other third parties. Plaintiff and Class Counsel further agree that their firm will not disclose the terms of the Settlement on the firm’s website. Plaintiff shall not disclose the terms of the Settlement to any third parties apart from immediate family and financial advisors. For avoidance of doubt, this paragraph is not violated by the public filing of the Settlement Agreement with the court in connection with the settlement approval process.

10.20 Where this Settlement Agreement requires notice to the Parties, such notice shall be sent to the undersigned counsel.

Class Notice

NOTICE OF CLASS ACTION SETTLEMENT

Goree v. New Albertsons L.P., 2022-CV-10738

Case No. 2022-CV-10738

The United States District Court for the Northern District of Illinois preliminarily approved a class action settlement in the case *Goree v. New Albertsons L.P.*, 2022-CV-10738 (the “Lawsuit”). You are receiving this notice because records show that you worked at a Jewel Osco distribution center in Illinois during the time period covered by the lawsuit and are a class member. Jewel Osco is a subsidiary of New Albertsons L.P. (“Albertsons”). While Albertsons does not admit liability or fault, Albertsons has agreed to settle the Lawsuit. This notice explains your options. You may: (1) do nothing and get a settlement payment; (2) exclude yourself from the settlement and not receive a settlement payment; or (3) object to the settlement. Before any money is paid, the Court will decide whether to grant final approval of the settlement.

What Is this Lawsuit About?

The Lawsuit alleges that Albertsons violated the Illinois Biometric Information Privacy Act (“BIPA”) through the use of the Vocollect order picking technology that Defendant’s employees used at its distribution center in Illinois which allegedly collected, stored, and transferred their biometric data without following the notice and consent requirements of BIPA. Albertsons has denied all liability and wrongdoing. Both sides agreed to the settlement to resolve the case. The Court did not decide whether Albertsons violated the law. You can learn more about the Lawsuit or review the Settlement Agreement by contacting the settlement administrator.

Who Is Included in the Settlement?

The settlement includes all individuals who used the Vocollect order picking technology at an Albertsons distribution center in Illinois between March 1, 2018 and October 17, 2022, who are not members of a labor union, and who do not timely exclude themselves from the Settlement.

What does the Settlement Provide?

Defendant has agreed to create a fund totaling \$1,076,075 from which all payments and benefits contemplated by the settlement will be funded, including: (a) a service award to Plaintiff Bryan Goree in an amount up to \$7,500; (b) reasonable attorneys’ fees to counsel for Plaintiff and the settlement class not to exceed one third of the settlement fund plus reimbursement of reasonable costs; (c) costs incurred by or on behalf of the settlement administrator in administering the settlement; (d) an equal share of the remaining settlement fund to each settlement class member. The settlement cash payment amount for class members will be approximately \$670.00 but the exact amount is not yet known and could be more or less.

What Will You Give Up If You Participate in the Settlement?

Unless you exclude yourself from the settlement as explained below, you will release Albertsons and other parties from Released Claims as defined in the Settlement Agreement.

What Are Your Options?

(1) If you want to participate in the settlement and receive a settlement payment, do nothing. A check will be mailed to you if the Court grants final approval of the settlement, and all conditions for issuance of payment are satisfied.

(2) If you do not want to receive a payment or be legally bound by the settlement, you must exclude yourself by [**Objection/Opt-Out Deadline**]. To be valid, any request for exclusion must: (a) be in writing; (b) identify the case name and number; (c) state your full name and current address; (d) be physically signed by you; and (e) be postmarked or received by the Settlement Administrator on or before the Objection/Opt-Out Deadline. Each request for exclusion must also contain a statement to the effect that “I hereby request to be excluded from the proposed Settlement Class in *Goree v. New Albertsons L.P.*, 2022-CV-10738.” If you exclude yourself, you will not receive money from this settlement.

(3) You may object to the settlement by [**DATE**] if you have not already excluded yourself from the settlement. To do so, you must present the following information in a statement signed by you: (a) your full name and current address; (b) a statement that you believe yourself to be a member of the Settlement Class; (c) the specific grounds for the objection, including all citations to legal authority and evidence supporting the objection; (d) all documents or writings that you desire the Court to consider; (e) the name and contact information of any and all attorneys representing, advising, or in any way assisting you in connection with the preparation or submission of the objection or who may profit from the pursuit of the objection; and (f) a statement indicating whether you intend to appear at the Final Approval Hearing (either personally or through counsel, who must file an appearance or seek *pro hac vice* admission). All written objections must be filed with the Court and be postmarked, e-mailed or delivered to Class Counsel and Defendant’s Counsel no later than the Objection/Opt-Out Deadline.

This matter having come before the Court on Plaintiff's Unopposed Motion and Memorandum in Support of Preliminary Approval of Class Action Settlement of the above-captioned matter (the "Action") between Plaintiff Bryan Goree ("Plaintiff"), and New Albertsons L.P. ("Defendant") (collectively, "the Parties"), as set forth in the Class Action Settlement Agreement, between Plaintiff and Defendant (the "Settlement Agreement"), and the Court having considered the papers filed and proceedings in this matter, and being fully advised in the premises, IT IS HEREBY ORDERED, as follows:

1. Capitalized terms not defined in this Order are defined in the Parties' Settlement Agreement.
2. The Court finds, on a preliminary basis, that the Settlement is fair, reasonable, and adequate.
3. The Settlement Agreement was negotiated at arm's-length between counsel for the Parties who are experienced in class action litigation.

4. The Court finds, on a preliminary basis, that Class Counsel has adequately represented the proposed Class Members.

5. For settlement purposes only, the Court certifies a Settlement Class defined as follows:

All individuals who used the Vocollect voice technology at Defendant's distribution center in Illinois between March 1, 2018 and October 17, 2022. Excluded from the Settlement Class are (1) any Judge or Magistrate presiding over this action and members of their families, (2) Defendant, Defendant's subsidiaries, parent companies, successors, predecessors, and any entity in which Defendant or its parents have a controlling interest, (3) individuals that worked at Defendant's distribution center who were members of a labor union; (4) persons who properly execute and file a timely request for exclusion from the Settlement Class, and (5) the legal representatives, successors or assigns of any such excluded persons.

7. The Court finds that, subject to the Final Approval Hearing, the Settlement Agreement is fair, reasonable, and adequate, is likely to be approved under Federal Rule of Civil Procedure 23(e)(2) and is in the best interests of the Settlement Class set forth above. The Court further finds that the Settlement Agreement substantially fulfills the purposes and objectives of the class action and provides substantial relief to the Settlement Class without the risks, burdens, costs, or delay associated with continued litigation, trial, and/or appeal. The Court also finds that the Settlement Agreement (a) is the result of arm's-length negotiations between experienced class action attorneys; (b) is sufficient to warrant notice of the settlement and the Final Approval Hearing to be disseminated to the Settlement Class; (c) meets all applicable requirements of law, including Federal Rule of

Civil Procedure 23 and the Class Action Fairness Act (“CAFA”), 28 U.S.C. § 1715; and
(d) is not a finding or admission of liability by the Defendant or any other parties.

8. For settlement purposes only, the Court appoints Plaintiff as the Class Representative.

9. For settlement purposes only, the Court appoints as Class Counsel: David Fish Mara Baltabols, Fish Potter Bolaños, P.C.

10. The Court appoints Analytics Consulting LLC as the Settlement Administrator to perform all duties described in the Settlement Agreement and ordered by this Court.

R. Civ. P. 23, due process, the Constitution of the United States, and other applicable laws. The proposed Notice is accurate, objective, and informative. It provides Class Members with all of the information necessary to evaluate the fairness of the Settlement and to make an informed decision regarding whether to participate in the Settlement.

12. Any Settlement Class Member may request to be excluded from the Settlement by submitting a written request for exclusion to the Settlement Administrator as described in the Notice by [insert 42 days from Notice Date].

13. Any Settlement Class Member who excludes himself or herself from the Settlement will not be entitled to any recovery under the Settlement and will not be bound by the Settlement or have any right to object, appeal, or comment on it.

14. Any Class Member who does not request to be excluded from the Settlement may object to the Settlement by submitting a written statement to the Settlement Administrator as described in the Notice by _____[insert 42 days from Notice Date].
15. Settlement Class Counsel shall file a motion for attorney fees, litigation costs, settlement administration costs, and the Class Representative's Service Award ("Fee Petition") no later than _____.
16. Settlement Class Counsel shall file a motion for final approval of the Settlement no later than _____. The motion for final approval shall include copies of any objections submitted and identify any Settlement Class Members who have requested to be excluded from the Settlement.
17. The Court schedules a Final Approval Hearing for _____, **2023 at 9:15 a.m.** in Courtroom 1425 of the Everett McKinley Dirksen United States Courthouse, 219 South Dearborn Street, Chicago, IL 60604, to be held via phone conference or other remote means, unless otherwise ordered by the Court, to consider, among other things, (1) whether to finally approve the Settlement; (2) whether to approve Class Counsel's request for attorney fees and litigation costs; (3) whether to approve the Settlement Administrator's costs; and (4) whether to approve the Class Representative's request for an Service Award. FINAL ORDER AND JUDGMENT

This matter having come before the Court on Plaintiff's Unopposed Motion and Memorandum in Support of Final Approval of Class Action Settlement of the above-captioned matter (the "Action") between Plaintiff Bryan D. Goree ("Plaintiff"), and New Albertsons L.P. ("Defendant") (collectively, "the Parties"), as set forth in the Class Action Settlement Agreement, between Plaintiff and Defendant (the "Settlement Agreement"), due and adequate notice having been given to the Settlement Class, and the Court having considered the papers filed and proceedings in this matter, and being fully advised in the premises,

IT IS HEREBY ORDERED:

1. Capitalized terms not otherwise defined in this Final Approval Order are defined in the Parties' Settlement Agreement.
2. The Court-approved Notice of Class Action Settlement ("Notice") was distributed by the Settlement Administrator, Analytics Consulting LLC, to Settlement Class Members

by direct mail. The Notice and the methods of distribution satisfy due process, the requirements of Rule 23(e)(1)(B) of the Federal Rules of Civil Procedure, and constitutes the best notice practicable under the circumstances.

3. [Number] Settlement Class Members submitted objections or excluded themselves from the Settlement.

4. The Court grants final certification of the class that the Court previously certified for settlement purposes in its Preliminary Approval Order. The Class is defined as follows:

5. The Court finds the settlement memorialized in the Settlement Agreement and filed with the Court is fair, reasonable, and adequate, and in the best interests of Settlement Class Members. The Court finds that: (a) the strength of the Settlement Class Representative and Settlement Class Members' claims weighed against the Defendant's defenses and the complexity, length and expense of further litigation support approval of the Settlement; (b) the Gross Settlement Fund as set forth in the Settlement Agreement is a fair, reasonable and adequate settlement of the claims; (c) the Settlement was reached pursuant to arm's-length negotiations between the Parties, with the assistance of a neutral mediator; (d) the support for the Settlement expressed by Settlement Class Counsel, who have significant experience representing parties in complex class actions, including those

involving Biometric Information Privacy Act claims, weighs in favor of approval of the Settlement; (e) the absence of any objections to the Settlement by Settlement Class Members supports approval of the Settlement; and (f) the Action has progressed to a stage where the Court and the parties could evaluate the merits of the case, potential damages, and the probable course of future litigation.

6. The Parties and the Settlement Administrator are ordered to comply with the terms of the Settlement Agreement.

7. The Court awards \$_____ to the Settlement Administrator, _____, for its work administering the Settlement, which is payable from the Gross Settlement Fund as described in the Settlement Agreement.

8. The Court awards Settlement Class Counsel \$_____ in attorney fees and \$_____ in litigation costs, which are payable from the Gross Settlement Fund as described in the Settlement Agreement.

9. The Court awards Settlement Class Representative \$7,500 as a Service Award, which is payable from the Gross Settlement Fund as described in the Settlement Agreement.

10. This matter is dismissed with prejudice.
